About Me

As a passionate advocate, I am dedicated to providing exceptional legal services and committed to continuous learning in the field. As a fresher, I have a strong foundation in legal principles and a keen interest in gaining practical experience. I am eager to contribute to meaningful legal work and enhance my skills in diverse areas of law. Additionally, I am interested in exploring opportunities in HR, where I can leverage my understanding of legal frameworks, interpersonal skills, and problem-solving abilities to contribute to effective workforce management and organizational growth.

Experience

4 months of internship at RN
Association

2024

During my 3-month internship at RN Association, I gained practical exposure to high court proceedings, legal research, and case preparation. I assisted senior advocates with drafting legal documents, conducting case law research, and observing court sessions. This experience helped me develop a deeper understanding of litigation practices and enhanced my analytical and drafting skills, which I am eager to apply in future legal work.
