AKSHAY A

(FRESHER)

I am looking for opportunities to display my skills in a growth oriented organisation, seeking avenues to contribute and expand my learning, skills and knowledge.

EXPERIENCE

INTERNSHIP

IQRAA INTERNATIONAL HOSPITAL AND RESEARCH CENTER,KOZHIKODE

As part of my MBA curriculum, I had the opportunity to join as an intern for a period of 6 weeks in Iqraa International Hospital and Research Centre where I got to know the working of the institution.As an intern I coordinated the interview process and studied the various departments in it. I could improve my skills and learn a lot from the institution during my internship period.

BANDSE DIGITAL SOLUTIONS PRIVATE LTD.

As part of my MBA curriculum, I was gracious enough to be able to join as an intern for for a period of 1 month in BANDSE group India, where i got to know the overall working of the company. During this period, I was more into the Digital Marketing area and was blessed to share my Ideas and thoughts with the marketing team of BANDSE Group.

PROJECT

A STUDY ON EFFECTIVENESS OF TRAINING AND DEVELOPMENT PROGRAMME IN BANDSE DIGITAL , CALICUT

To learn the effectiveness of training and development of employees in Bandse Digital, To know how to make training more effective, To know how to increase productivity of employees , To know employee's attitude towards training and development program, To know how the training and development program help the employees to develop their career, Analyse the employee satisfaction with the training and development program

A STUDY ON BETTER WAYS TO CURE DEPRESSION AMONG YOUNGSTERS

To identify and evaluate new or alternative treatment approaches that can effectively alleviate symptoms of depression in this population. To improve the understanding and treatment of depression among youngsters, leading to better mental health outcomes and improved quality of life for this populationThe study's objectives include determining any potential obstacles or difficulties in putting these interventions into practice, as well as their effectiveness, acceptability, and feasibility
